

PublicHealth@Cambridge Network Sign-up Criteria

All members of the University of Cambridge are eligible to join the PublicHealth@Cambridge research network. In addition, members of the following Cambridge-based research organisations are eligible to join:

- Academic Health Science Centre/Cambridge University Health Partners
- Cambridge University Hospitals, Papworth, and Cambridge and Peterborough NHS Foundation Trusts.
- Babraham Institute
- EMBL European Bioinformatics Institute (EMBL-EBI)
- Wellcome Trust Sanger Institute
- MRC Biostatistics Unit
- MRC Cancer Cell Unit
- MRC Cognition and Brain Sciences Unit
- MRC Laboratory of Molecular Biology
- MRC Mitochondrial Biology Unit
- NHS Clinical and Biomedical Computing Unit
- NHS Sustainable Development Unit
- NIHR Biomedical Research Centre
- PHG Foundation
- Public Health England East of England & locally based Units

If your organisation is not on this list but you would still like to join the Network, or if you have any other queries about PublicHealth@Cambridge, please contact the Network coordinator for further information: coordinator@publichealth.cam.ac.uk.

Thank you
